COMMISSARY AGREEMENT

I agree to report to the commissary facility listed below each operational day for all supplies and for all cleaning and service operations, including filling water tanks, disposal of waste water, cleaning of equipment and utensils, and storage of supplies. I further agree to obtain all supplies from an approved source. This commissary facility meets all criteria for a commissary as described in the Maricopa County Health Code, Chapter VIII, Sec. 2, R9-8-138B&C. (See attached)

Failure to abide by this agreement may result in legal action being taken to revoke your permit to operate this Mobile Food Unit or Pushcart.

COMMISSARY - BASE OF OPERATIONS

- A. Mobile food units or pushcarts shall operate from a commissary or other fixed food service establishment and shall report at least daily to such location for all supplies and for all cleaning and service operations.**
- B. The commissary or other fixed food service establishment used as a base of operations for mobile food units or pushcarts shall be constructed and operated in compliance with the requirements of this Article.**
- C. Servicing area and operation.**
 - 1. Servicing Area.**
 - A. A mobile food unit servicing area shall be provided and shall include at least overhead protection for any supplying, cleaning or servicing operation. Within the servicing area, there shall be a location provided for the flushing and drainage of liquid wastes separated from the location provided for water servicing and for the loading and unloading of food and related supplies. This servicing area will not be required where only packaged food is placed on the mobile food unit or pushcart or where mobile food units do not contain waste retention tanks.**
 - B. The surface of the servicing area shall be constructed of a smooth nonabsorbent material, such as concrete or machine-laid asphalt and shall be maintained in good repair, kept clean, and be graded to drain.**
 - C. The construction of the walls and ceilings of the servicing area is exempted from the provisions of R9-8-137 B.1 through R9-8-137 B.6.**
 - 2. Servicing Operations**
 - A. Potable water servicing equipment shall be installed according to A.C.R.R., Title 9, Chapter 8, Article 2 and shall be stored and handled in a way that protects the water and equipment from contamination.**
 - B. The mobile food unit liquid waste retention tank shall be thoroughly flushed and drained during the servicing operation. All liquid waste shall be discharged to a sanitary sewage disposal system in accordance with R9-8-136 B.1.**
